Family Resources
and Community Connections, Inc.

Mission:

Empowering and positively impacting children, families and underserved communities by addressing social needs and issues through education, prevention and awareness.

Work with Us:

FRCC is committed to developing Partnerships and Collaborations with organizations who share a mutual concern in impacting the lives of children, families and communities. Are you interested in the FRCC movement?

Empowerment Workshops

FRCC facilitates its empowerment workshops throughout the St. Louis region. Workshop topics include: Parenting Education and Support, Mental Health and Wellness, Health Education and Wellness, Self Esteem/Self-Worth, Journal Writing and Financial Literacy/Education and others based on request.

Pen or Pencil Group Mentoring

Through a partnership with the National Alliance of Faith and Justice, FRCC is an affiliate in St. Louis coordinating the Pen or Pencil Group Mentoring Program. The focus: Increased academic achievement, decreased delinquency, reduction in antisocial behaviors. *We come to schools and organizations. Also, train and provide technical assistance so provide activities, mentoring children at your facility.*
Signature Youth Development Program.

Other Social & Educational Needs

FRCC has determined that educational equity is a great need; therefore, tutoring for ages K-5th grade will be provided beginning August 2020. Referrals and tutors appreciated.

Direct aid is available for parents with children as funds are available.

Community Engagement: We are connecting with organizations, agencies, schools, and companies to provide resources, services and programs; inclusive of Nonprofit, Government, and For-Profit.
